INFORMATION FOR APPLICANTS

The History of Barnard Castle School

Barnard Castle School has its roots in the medieval past and its eyes set firmly on the future. The school traces its origins back to the nearby Hospital of St John, which was an educational and religious community established by John de Balliol in 1229. He was also the founder of Balliol College in Oxford and his passion for learning remains central to our philosophy today. In 1883 with a gift from Benjamin Flounders, a Victorian philanthropist, and the proceeds of St John's Hospital, the present main School building was constructed. Tony Jackson, the School's tenth Headmaster, was appointed in September 2017 as "Barney" embarked on an exciting new era.

The School

'When you are steeped in little things, you shall safely attempt great things'

This motto perfectly sums up what **Barnard Castle School** - or 'Barney' as it is affectionately known - aims to do in preparing its pupils for life beyond its doors. Through creating an inspirational, compassionate and unpretentious environment, Barney aims to develop young adults with character. Our staff believe that our pupils should be confident, resilient, intellectually curious, tolerant and driven, with an undercurrent of humility, and are prepared to live, embrace and lead in an ever-changing world.

'Parvis imbutus tentabis grandia tutus'

The School has a genuine warmth amongst its **720 pupils** and **180 staff**, which fosters a strong sense of community and endeavour. It is highly unusual to find a school where pupils from Year 9 and Year 11 sit at a table for lunch together sharing a conversation, discussing their latest sports fixture or drama rehearsal. However, this attitude is ingrained in a Barnardian from very early on. The co-educational and cross-year group atmosphere starts in the journey from the Preparatory School (ages 4-11) right through to the state-of-the-art bespoke Sixth Form Centre in the Senior School (ages 11-18). A Barney pupil is quick to make someone else feel at ease, whether that is through simple encouragement or a warm smile.

Whilst we are extremely proud of what our pupils achieve academically, we also recognise the importance of preparing the next generations for an evolving and increasingly competitive global marketplace. To do this, we focus on developing the individual character of every child, and during their journey with us, we aim to cultivate vital life skills through building relationships amongst the pupil body and teachers alike. Each pupil has a dedicated Tutor who meets with them several times a week to discuss anything from pastoral issues to academic progress.

We want our pupils to develop a balanced mindset for life. This requires confidence, resilience and compassion, all built up over a period of time, and in a variety of ways, both within and beyond the classroom. It also requires that most important quality: humility. At our core is an unpretentious and humble outlook, and it is this combination of confidence and humility that allows our pupils to light up a room.

We want staff who believe in our purpose as educators and are proactive in immersing themselves in school life during term time. We would like them to role model the qualities we hope to install in our pupils throughout their journey from the Prep School through to the end of the Sixth Form. Teachers are expected to take part in the extensive extra-curricular "Mind, Body and Soul" programme that runs between 4pm and 5pm and can choose to offer an activity that they are passionate about. We believe in fostering lasting relationships and contact time with pupils outside the classroom is what makes the Barney difference.

The School (cont'd)

The School is situated in its own extensive grounds on the outskirts of an historic market town, recently noted as being the safest in England, in an area of outstanding natural beauty. It is well-resourced and enjoys an enviable reputation for its pupils' achievements on a broad variety of fronts. It is also in proximity to and enjoys close relationships with departments in the universities of Durham, York and Newcastle.

Continuous improvement and investment have produced a number of new buildings, including the MacFarlane Building which houses Physics and Computer Science, the Atha Fitness Centre, an extension to our Prep School including a new Science Lab, and the new purpose built Sixth Form Centre.

Further details about Barnard Castle School may be found in the Independent Schools' Yearbook and on the School's website www.barnardcastleschool.org.uk.
